1. Proposed Citation:

Provide a brief statement, not exceeding 50 words, that reflects the major service accomplishments that the proposed candidate has made to further the activities of the IEEE Sensors Council. This will be used if the nominee is selected as the awardee.

2. Basis for Nomination:

Prepare a statement not exceeding 750 words on why the candidate is being nominated for the award. The write up should include the service record of the nominee with respect to his/her efforts to enhance the activities of the Sensors Council. It is appropriate to list tenure and offices held in the Council and other active involvement in the operational aspects of the Council, such as conference chair etc.

3. Short Biography (not exceeding 2 pages):

Outline the nominee's background as it applies to the service he/she has provided to the council. Other council/society memberships and related offices held (Publication offices are reported in next section) should be listed to indicate the nominee's willingness to serve the IEEE and its strategic objectives. A short discussion related to the candidate's technical areas of expertise as they relate to the objectives of the Sensor Council should be included.

4. Publications:

List the council publications activities that the nominee participated in for the council such as submission of articles, member of editorial board, editor in chief, associate editor and/or conference technical program chair or conference paper reviewer.

5. References:

Please identify up to five (5) individuals that could provide letters of reference to support the nomination. List the names and contact information for the references on the nomination form, but please do not request or include letters. The committee will request them directly at the appropriate time.

Please send your nomination to the Meritorious Service Award Chair by May 15 of the Award year.
