**1. Proposed Citation:**

Provide a brief statement, not exceeding 50 words, giving the major accomplishments for which the award is being made. This will be used if the nominee is selected as the awardee.

**2. Basis for Nomination:**

Prepare a statement not exceeding 750 words on why the candidate is being nominated for this award. This statement should then be followed by the record of accomplishments of the candidate as an educator, researcher, administrator, or industrial pioneer, as appropriate.

**3. Short Biography (not exceeding 2 pages):**

Include degrees earned (list universities and granting dates); other postgraduate study; record of all positions held (chronologically starting with the most recent position); IEEE activities and offices; other society memberships and offices; awards, honors, patents, inventions and other relevant contributions. (Email as separate attachment, if necessary).

**4. Publications, Patents:**

List all books, book chapters, journal papers, and patents. In addition, please identify 5 of the most important publications and state the engineering significance of each to the appropriate field (e.g. Sensors; Sensor Systems or Networks). (NOTE: A database link may be supplied as a means to supply the list of publications and stay within the page limit.)

**Page limitation: Items 1 through 4 are limited to a total of four pages. Any additional pages will be deleted.**

**5. References:**

Provide names of up to five colleagues that could provide a reference letter upon request. List the names of the references on the nomination form. ALL reference letters must be received by the due date of the nominations, May 15 of the Award year.

**Please send the nomination material to the appropriate Technical Achievement Award Chair by May 15 of the Award year. Please forewarn your recommenders as they will have limited time to write your recommendation once the nomination material is received by the Chair.**
