

## Early Career (Young Professionals) Award 2018 Nomination Form

### 1. Introduction:

The *IEEE Sensors Council Early Career (Young Professionals) Award* is given annually to promote, recognize and support contributions from young professional members within the fields of interest of the IEEE Sensors Council. This award is not limited to recognizing technical achievements; it also recognizes leadership in service, education, innovation, entrepreneurship or in furthering the goals of the IEEE Young Professionals program in the fields of interest of the Council. Eligible candidates must be IEEE Young Professionals by the time of the deadline. The winner of this Sensors Council Award is presented with a plaque and \$1,000 check and up to \$1,000 for expenses to travel to the conference.

### 2. Eligibility:

The nominee must

- be an IEEE Member.
- have no more than 15 years elapsed since awarded their first degree, i.e. an IEEE Young Professional, at the time of the award nomination deadline.
- be active, in either industry or academia, within the fields of interest of the IEEE Sensors Council:
  - The fields of interest of the Council is the theory, design, fabrication, manufacturing and application of devices for sensing and transducing physical, chemical, and biological phenomena, with emphasis on the electronics, physics and reliability aspects of sensors and integrated sensor-actuators.

### 3. Nominations Process:

Please complete and send the nomination form by email to the IEEE Sensors Council Early Career Award Chair ([aybozkur@ncsu.edu](mailto:aybozkur@ncsu.edu)) by **5pm CST (GMT – 6), 15th May 2018.**

### 4. Questions related to this award:

Any queries in relation to this award should be directed to the IEEE Sensors Council Early Career Award Chair.
