CALL FOR PAPERS CAFE 2024

We are excited to announce the Call for Papers for the esteemed IEEE CAFE 2024, which stands at the forefront of integrating electronics into the AgriFood value chain, and we are seeking innovative contributions that embody our theme of revolutionizing the entire food chain through advanced electronics and sensor technology.

TOPICS

- ✓ Precise Agriculture
- ✓ IoT and AI in Agriculture
- ✓ Sustainable Agriculture Systems
- ✓ Robotics in Agriculture
- ✓ Advanced Sensor Technologies
- ✓ Automation in Agriculture

HIGHLIGHTS

IEEE CAS Industry Forum, an event where industry experts collaborate to offer invaluable insights on developing applications for AgriFood Electronics. Participate in IAFE free of charge

Selected papers will have the opportunity to be extended in a Special Issue of the **IEEE Transactions on Agrifood Electronics**.

ORGANIZING COMMITTEE

GENERAL CHAIRS

Georgios Ch. Sirakoulis

Democritus University of Thrace, Greece

Marios Sofokleous

eBOS Technologies Ltd & Tel Aviv University, Cyprus

TECHNICAL PROGRAM

Luisa Petti

Libera Università di Bolzano, Italy

Paddy French

TU Delft, Netherlands

PUBLICATIONS

Danilo Demarchi

Politecnico di Torino, Italy

SPECIAL SESSIONS

Andrei Vladimirescu

University of California at Berkeley, USA

Victor Grimblatt

Synopsys, Chile

INTERNATIONAL LIASSON

Adi Avni

Tel Aviv University, Israel

James Maligeorgos

Uhnder Inc, United States (U.S.)

INDUSTRY LIASSON

Yosi Shacham-Diamand

Tel Aviv University, Israel

Roberto La Rosa

STMicroelectronics Pvt Ltd, Italy

FINANCIAL

Ioannis Vourkas

Universidad Técnica Federico Santa María, Chile

Panagiotis Dimitrakis

NCSR Demokritos, Greece

MEDIA

Karolos-Alexandros Tsakalos

Democritus University of Thrace, Greece

PUBLICITY

Luis Kun

IEEE Society Social Implications of Technology, U.S.

Mohammad Russel

Dalian University of Technology, China

Arnaud Alfredo

Universidad de la República, Uruguay

Dimitrios Argyropoulos

University College Dublin, Ireland

George Xiao

National Research Council of Canada (NRC), Canada

Roland Vida

Budapest University of Technology and Economics, Hungary
